

NOTICE OF CLUB MEMBERS' MEETING

DATE: THURSDAY 20TH SEPTEMBER 2007

VENUE: BUILDING SOFTWARE, SWALLOW COURT, DEVONSHIRE GATE TIVERTON, DEVON. EX16 7EJ

TIME: 10.30 a.m. to conclude at approx. 13.00 p.m. with a light buffet lunch

THEME: **PERFORMANCE IMPROVEMENT FOR SUSTAINABILITY AND WASTE MANAGEMENT**

There is no way of avoiding the issue.... we're running out of landfill sites and we can't go on trashing precious resources. SWASH members are determined to reduce waste on their sites and introduce sustainable methods of construction. This meeting is designed to highlight the difficulties and demonstrate ways to implement changes but we must be able to measure the results to find out if we are meeting the challenge.

Presentations by:

David Nelson, Gloucester Housing Association - ECO Homes Assessor and Code 4 Sustainable Homes Assessor - relating to the Code for Sustainable Homes, Level 3

Martin Gerrelli, Director Connaught Partnerships and Andrew Rossiter Director of Connaught Environmental – Sustainable Waste Management in the integrated Asset Management Industry.

Followed by discussion within the group about measures that should be implemented to tackle the issue of measuring sustainable construction and waste management.

**** Non-member Housing Association organisations are welcome to attend. ****
